

It's the Season for GIVING

Please join us in support of

Long Island Against Domestic Violence

The Safe Harbor Shelter is a place for victims of **domestic violence** who have limited or no resources and are experiencing violence at the hands of an intimate partner. Many of the victims arrive with only the clothes on their back.

You can help us to help them!

The staff at Marotta Plastic Surgery Specialists is gathering items from the **wish list** to donate to the shelter. Please join us in support of this worthy cause by dropping off items from the wish list and we will be happy to deliver a generous donation from the Staff and Patients of MPSS.

We hope that even the littlest of help will make a *big difference*.
